

CAMPUS UPDATE

The last few weeks has seen a period of rapid change for the Learning for Life Campus. Historically, our campuses have been located at different sites across the Borough. However, our dream of being all together has been realised as we move to our temporary new self-contained site which is located within an annex of Broomfield School.

Anyone who has ever moved house will know the challenges that this presents, but the West Lea values of community and kindness have been very much in action!

Students started onsite learning on Monday 13th September and have thoroughly enjoyed being together with their peers, eating lunch all together in our dining hall and using the vast outdoor space that the Broomfield site has to offer.

We are incredibly grateful to Ms Skarpellis and Mr Zawislak for organising our two Freshers' Week visits to the White Water Rafting Centre at Lea Valley and Paradise Park, where students were able to play and learn with their new class mates.

I would also like to thank students, staff and parents for the way they have embraced the last-minute changes to our campus location and the resilience shown as we begin what promises to be a fabulous school year.
