

CAMPUS UPDATE

It does not seem a whole half term ago we were welcoming all our lovely children back to school! The time has flown by and the children have settled in incredibly well – a huge thank you to all our parents and carers for the part you have played in this.

As many of you are aware, some of our pupils will be changing classes after the half term break to ensure, as a school, we can best meet the needs of each individual. Our recently completed baseline assessments will provide a clearer understanding of pupils' individual learning needs.

After half term we will see the launch of our reading strategy and as part of this, your child will be bringing books home to read from school. Reading is a fundamental part of everything we do at West Lea School and a key tool in improving the communication and language skills of our pupils. Our reading launch will take place in the week beginning Monday 22nd November, so please keep an eye out for updates in newsletters and by following our Twitter - @HaselburyCampus.

I would like to wish you all a safe and enjoyable half term.
