

CAMPUS UPDATE

Time flies when you're having fun and we have had a lot of fun at Meridian Campus over the past month. Children have settled into their daily reading, phonics and maths groups and are enjoying their classes separated by pathway and year group. Our staff have guided children through these changes brilliantly.

Over the last two weeks we launched our reading strategy which has been a huge success. Thanks again to all our families for your fantastic support at the launch event. It was so lovely to welcome everyone back into the building after the last 18 months of the pandemic. If you couldn't make it, please keep an eye out for upcoming workshops to support reading and phonics at home as well as the wider curriculum. All children have an e-book and paper book to read at home.

This week, to mark Anti-Bullying Week, our school community came together, and our fantastic children spent time thinking how they can show kindness to others and what to do if someone is unkind to them.

To celebrate Children in Need Day and the children who make our campus shine, we had a dance celebration of "Strictly Sparkles". Head to our Twitter page [@Meridian_Campus](https://twitter.com/Meridian_Campus) to see our dance moves.

This month, we will plan our Winter/Christmas Show, which will take place on Tuesday 14th December at 9.30am at Dysons Road and 2pm at Springfield.
