

CAMPUS UPDATE

As we approach the end of term it's hard to believe we're almost a third of the way through the academic year. Speaking to staff, pupils and parents, there's a general feeling that time has flown by! Having said that, it's amazing to see just how much has been achieved in a single term. We have celebrated a number of successes including:

- Year 12 pupils from Fury class began staffing St Aldhelm's church inclusive community café every Thursday as part of a new partnership
- Our Senior Job Coach, Carline Ikoroha was recognised by BASE UK as a highly commended Supported Employment Practitioner of the Year
- 100% of our supported interns were successfully matched to, and started, their work placements
- We launched our Post-Employment Support Service for graduated interns

The Horizon campus leadership team and I would like to take this opportunity to say a heartfelt thank you to all our hard-working pupils, dedicated staff and committed parents and carers for all your support so far this year. We look forward to seeing everyone back and refreshed next term, and to celebrating even more success with you as the year progresses.

Wishing you all a well-deserved restful break over the festive period.

Kika Charalambous,
Head of School, Horizon Campus
