

CAMPUS UPDATE

It was so lovely to welcome pupils after the Christmas break and hear about all the presents they opened. Some pupils were particularly excited to tell me about the books they received.

Although we are starting the term in bubbles as we are Covid-19 conscious, our pupils have settled straight back into their daily routines - thank you so much to parents and carers for your ongoing support.

This term sees the introduction of our new Annual Review process, which will be held throughout the school day to ensure pupils do not miss out on their education. Parents that have their child's Annual Review in January have been contacted already. If you have not been contacted, your child's Annual Review will be in either April or July. Annual Reviews in January will be taking place between Monday 17th January and Friday 21st January.

Many parents and carers have been asking about the return of our coffee mornings as they are a great opportunity for our parents to liaise with staff and build relationships with other parents. Once Covid-19 restrictions allow, please be assured coffee mornings will return - the relevant information will be circulated nearer the time.

GOLF AT WEST LEA!

Our pupils were lucky enough hear from a Bush Hill Park Golf representative, who introduced them to the world of golf during their PE lessons. Pupils were set tasks that involved golf skills they learned throughout the lesson and all involved had a great time!

SAFEGUARDING & NOTICES

Please remember if your child is absent for any reason, the school office needs to be made aware of this. The school can be contacted through the absence line, which is 020 8807 2656.

With online safety being something all our pupils learn about throughout their curriculum, we have launched a new initiative called 'Report It'. This is a page on our website that allows pupils to report any worries or concerns they may have. It can be found here:
