

## CAMPUS UPDATE

This term we have welcomed new staff members to our team and, as always, the children have been great at helping them settle into the West Lea community!

We have welcomed Theresa to Victor Class, Hava working across EYFS and Key Stage 1 and Maria who will be leading PE across the whole campus. This month we will also welcome Sarah to Key Stage 2.

This month, our staff will be receiving refresher Makaton training which will be used across campus as a key communication strategy. We hope you will notice your child using Makaton at home too.

Key Stage 1 children have been reading a lovely inclusive story, 'Noisy Farm', and investigating the noises different animals make. They have been moving like animals in drama lessons and discussing animal noises using their voices and Makaton signs.

Year 3 and 4 children have been exploring what life was like for the Ancient Egyptians including making their own 'mummies' whilst Year 5 and 6 children have been learning about Vikings. They have staged Viking battles in their PE lessons and learnt about life in England in this time.

On 1st February, Pendleton class had a brilliant day out at a Borough Boccia sports competition against other Enfield primary schools where they came 2nd! You see photos of our runners up on our Twitter page: @Meridian\_Campus.

This is also where you can also find our 'tweet of the week' challenge – head to the Twitter page to 'like' your favourite and see who wins!
