

CAMPUS UPDATE

Happy final day before the half-term break! We have been incredibly busy at Haselbury Campus as pupils continue to embark on their new curriculum by exploring lots of exciting new topics and opportunities, including comparing Victorian school life to today's schooling.

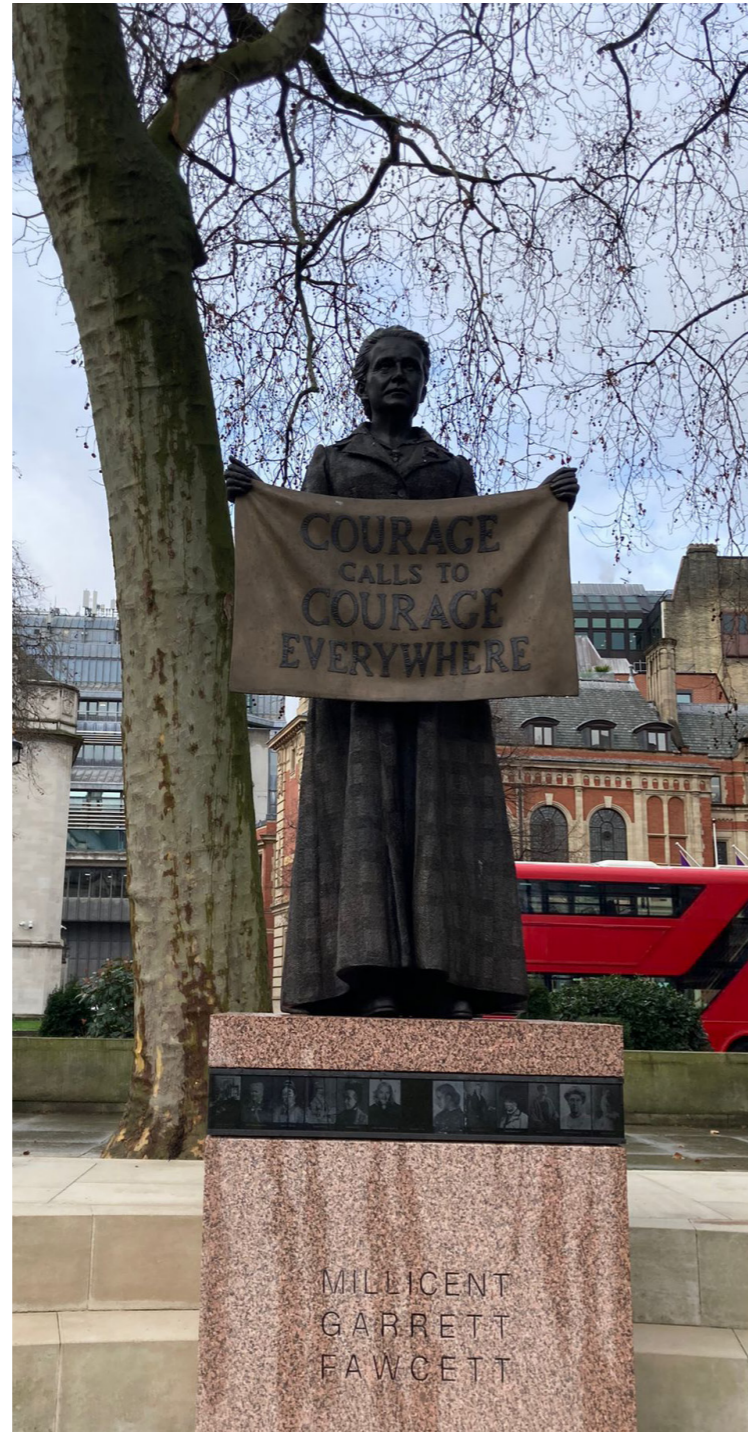

A huge thank you to all parents and carers who supported our new Annual Review process over the past weeks, which helps pupils access their education throughout the day. This process also enables students to give feedback on their education and time at Haselbury Campus. This feedback is so important because it will help ensure pupils gain the most tailored and effective education possible.

We have also organised lots of exciting school trips! Lister Class visited London to put their 'Work and Life Skills' lesson into practice by planning a route around the capital. They got to see the London sites they have been drawing and painting in their creative lessons which was brilliant. Pupils also got to put their financial knowledge from mathematics to the test when buying their McDonalds!

Reading continues to be an integral part of our curriculum, as pupils have recently shared their home reading progress. After the half-term break, pupils will start their 'phonics and reading' lessons, which will further consolidate and improve their ability and confidence to read fluently and develop their comprehension skills. Reading at home is fundamental to a child's development. Thank you to all for your ongoing support with this. If you would like any further guidance on reading at home, please contact your child's class teacher.

Wishing you all a great half-term break.

Haselbury Campus

Safeguarding

There have been a number of incidents surrounding pupils' use of mobile phones and messaging. Could we please ask that mobile phone and internet usage is monitored and if there are any concerns to please contact the school.
