

## CAMPUS UPDATE

With the upcoming end of Covid-19 restrictions, I wanted to recognise and thank everyone who has been key to helping campus life continue smoothly and safely over the last two years.

Our superb admin team fronted by Sarah Mustafa and Amanda Soogun has gone above and beyond, being the first point of contact for parents and managing all essential Covid-19 communications, even out of school hours.

Jackie Wheeler, our Health and Safety Coordinator, excellently led our Covid-19 response, always prepared to give advice and reassurance, supported by Kevin Clarke, our Health and Safety consultant.

A special thanks also to Debbie Collier who led the creation and running of our onsite campus testing site. We are indebted to her and the rest of our testing team who generously volunteered to help us keep everyone as safe as possible at school.

Zuhre Omar's incredible efforts to provide families with food parcels and other support must also not be forgotten.

Our teaching and support staff need a special recognition for their flexibility and efforts to keep lessons going in the face of very stressful and challenging circumstances.

I would also like to thank my leadership team for their stamina and patience including the truly wonderful Mrs Sullivan who never lost her smile when asked to arrange cover for lessons at short notice.

Last but by no means least, thank you to our parents for their ongoing support and to our students for their incredibly resilience, adaptability and for continuing to make us laugh and smile every single day. You are amazing!!

Catherine Goodwin  
Learning for Life campus

## PUPIL ACHIEVEMENT

### Amari, Maynard Class

For staying focused in lessons.

### Erik, Joshua Class

For always giving his best to complete set learning tasks in class.

### Makeda, Gold Class
