

CAMPUS UPDATE

Having entered the second half of the spring term, we are now midway through the academic year. We are always keen to improve what we do and make our campus and school the best they can be. That's why it's important to review and evaluate what we do by listening and actively asking what we're doing well and how we can improve. We welcome feedback and ideas from everyone. Whether you're a pupil, intern, parent/carer, member of staff, governor or partner, your views count!

It's been great hearing from pupils and interns as part of the Horizon Campus Council and the wider School Council. They've shared thoughts on what could be done differently to help improve their college experience and have influenced our behaviour strategy and the rules at college. They've also put forward ideas for extra-curricular enrichment activities (e.g. cycling & dodgeball). We are grateful to Ms Skarpellis for coordinating both councils and promoting pupil voice across the school.

We've had some really helpful feedback from parents about a number of areas including how we communicate. As a result, we've implemented a one-page [KS5 calendar](#) – thank you to Ms Borge for your suggestion! You can also find this on our website.

In the coming months and years we have plans to expand our [post-16 provision at Horizon](#) further - starting with introducing a pre-internship programme next September. We would appreciate your continued feedback so we can work together to shape what we do. Our efforts help make West Lea an extra-ordinary school building life-changing communities. Please feel free to get in touch directly with your comments and suggestions kcharalambous@westleaschool.co.uk.

Thursday 24th March (9am - 11am)

Parent/Carer Coffee morning at Haselbury Campus with a focus on preparing for adulthood.

Friday 1st April

End of Spring Term (1:30pm)

It's All About Us!

Congratulations to Ruslana in Packham class who came up with the winning entry for naming Enfield Council's SEND pupil engagement groups. A judging panel, made up of managers and directors from Enfield Council, parent representatives, and young people from the Bell Lane SEND Youth Club, voted for the name 'All About Us'. Great idea Ruslana!

The next challenge will be creating a logo to go with the name.

The 'participation squads' will act as focus groups that the Joint Service (Early Intervention Support Service and Cheviots Children's Disability Service) and other council officers can work with to carry out surveys and other forms of engagement. For example, they will support our 'Play and Leisure' survey and can also help find out children and young people's views on the EHCP processes, transport, and community safety.
