

CAMPUS UPDATE

There's been lots going on at Horizon Campus these past couple of weeks as we've approached the end of the Spring Term. College pupils celebrated their successes at the end of term rewards assembly where a number of prizes were presented for high levels of attendance, punctuality and other achievements. Well done to all pupils who were able to achieve 100% attendance this term and to those who received more than 30 positive behaviour points. Showing up to school/college/work consistently provides pupils with the best possible chance to learn and grow. Working hard when attending ensures students are able to flourish – their commitment has not gone unnoticed!

Last week saw some of our interns take part in a debating competition. One team argued the pros of using social media whilst the other team argued against. Preparing their arguments in advance, both teams focused on the impact of social media on mental health and wellbeing. Both teams' debating skills impressed the judges, who found it hard to choose the winners, but congratulations to Faye, Daniel C and Ben who stole the win by two points! Thank you to everyone involved.

We wish all pupils, parents, carers and staff a wonderful Easter break and look forward to welcoming everyone back on Tuesday 19th April. The Summer Term is set to be busy as pupils prepare for and undertake exams, interns get ready to move into paid employment and plans for pupils moving on in September 2022 are finalised. We also look forward to meeting the Year 11 pupils due to join Horizon in the new school year.
