

CAMPUS UPDATE

Happy Summer Term, everyone!

It was great to meet so many parents and families during progress and annual review meetings this week. Thank you for the brilliant feedback about how well children are doing with home reading and phonics. Please give us a call or come to one of our coffee mornings if you would like more information or support for home reading or any other aspect of school life.

This term, we are pursuing lots of green initiatives, including growing plants and vegetables across our campuses and introducing forest school lessons for some pupils to help develop outdoor learning provision.

We will also introduce children to their new class or campus site ahead of their transition in September, so they feel confident and excited to start the new academic year when it comes around. We will be in touch with more information about transition in the coming weeks before half term.

Over the next few weeks we will share more information about sports day, the summer show, and activities week, all of which will take place later in the summer term. We will organise day trips rather than an overnight residential this term, and hope to re-launch residential next academic year.

Please do give us a call if you would like to talk to a member of staff about any aspect of your child's school life.

Meridian Campus

PUPIL ACHIEVEMENT

Gedeon, Fairchild class

For being ready to learn, safe around school and kind to his friends. He's made an excellent start to the summer term.

Nefise, Adenegan class

For being independent in class and in the playground.

Beyji, Pendelton class

For making excellent progress with reading and phonics.

Elvis, Moore class

For joining in a game with a group of class friends and playing alongside other children.

Aradiya, Victor Class

For settling into West Lea really well and making progress in her new class.
