

CAMPUS UPDATE

I cannot believe how quickly the year is going. It's lovely to see how much our pupils have grown in confidence since the beginning of the school year.

Already this half-term, we have completed our April Annual Reviews and our first Progress Review Meetings with parents and carers. I want to take this opportunity to thank you all for your involvement and cooperation with this process as it benefits everyone hugely.

Many parents and carers have noticed improvements with their children's literacy skills due to our whole-school reading initiative. It's always lovely to hear about the progress our pupils are making!

This half-term we will welcome guest speakers to our coffee mornings held every Thursday 9:30 – 11:00am. This includes students, staff, and members of our local community, who will be joining us to discuss various topics, listed in this newsletter.

Over the past few weeks, we have started our transition plans for those pupils who will be moving to a new site in September. Classes from Haselbury Campus have visited their new school at Learning for Life Campus and enjoyed catching up with old friends as well as meeting new teachers and classmates. Transition journeys look very different for each pupil and we will continue to support and prepare students for their new start in September.

If you have any questions about transition, or another aspect of campus life, please do contact the school office or pop along to one of our coffee mornings.
