

CAMPUS UPDATE

We are delighted to hand over this edition of the weekly spotlight to some of our students in Dutoit class and their team manager Mrs Harnett. They made us so proud with their recent outstanding performances in the London Youth games swimming gala on Thursday 28th April at Beckenham Spa. Congratulations to everyone who took part!

I was very proud of our West Lea students that represented the borough of Enfield last week.

All the swimmers performed brilliantly, supporting each other with every race.

Of all the boroughs competing, Enfield boys finished 4th overall and the girls came 2nd.

At the end of the day, the team returned having won seven medals between them. Nathan won a gold medal, Aaliyah won a silver Medal and Renee Stafford (former student) won a bronze medal - a great triumph for West Lea School!

One of our team was even interviewed for an article that will be appearing in the Enfield borough newsletter. Well done to everyone!

DUTOIT CLASS AT THE LONDON YOUTH SWIMMING GALA

I was really nervous because I had never been to a swimming gala before. I did a front crawl race and back stroke relay. I am so excited and proud that the girls team came 2nd and we got a silver medal.

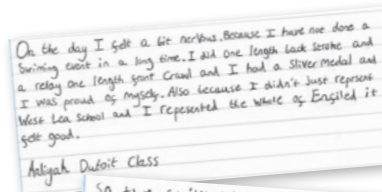

Zoe-Marie

On the day I felt a bit nervous because I have not done a swimming event in a long time. I did one length back stroke and a relay length front crawl. I got a silver medal and I was proud of myself. Also because I didn't just represent West Lea School, I represented the whole of Enfield and it felt good.

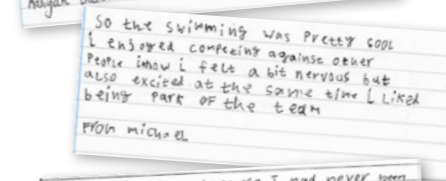

Aaliyah

So the swimming was pretty cool. I enjoyed competing against other people. I know I felt a bit nervous but also excited at the same time. I like being part of the team.

SAFEGUARDING

We all experience a whole variety of emotions in any one day. Sometimes those feelings can leave us anxious, stressed or overwhelmed.

The purpose of the 'Be a star or your emotions' poster is to give pupils coping strategies to support their emotional health and wellbeing. It encourages them to shine a light on their feelings by taking time to:

- Stop
- Take a breath
- And
- Relax.

You can find the poster [here](#).
