

WEST LEA WEEKLY SPOTLIGHT

CAMPUS UPDATE

With Summer Term well underway, much of our focus is on supporting students through examinations and working with interns to secure employment. I am incredibly proud of the learners' preparation and hard work ahead of their formal assessments as well as the interns' outstanding work ethic as they get closer to their transition into employment.

I am also extremely grateful to our wonderful staff for their ongoing support, and the parents and carers who worked with us to support students during this time.

As a break from all the hard work, we are looking forward to our upcoming celebrations for the Queen's Platinum Jubilee. Ahead of the nation-wide celebrations at the beginning of June, we will be marking this special occasion on 26th May with a garden party at our Cyprus Road site.

This will feature a series of stalls, activities and competitions for staff and students to join in on the fun whilst fundraising. Students have been contributing to planning efforts during lessons; Adams class have been creative and plan to run a 'Jubilee penalty shootout' and Fury class will put their customer service skills to good use at their 'afternoon tea & cake' stall. A huge thank you to Sean Luke and Lisa Doherty for being part of our planning committee. Fingers crossed for some sunshine on the big day!

We'll be tweeting as we celebrate using the hashtag #WestLeaJubilee and you can also follow us at @HorizonCampus_ to keep up to date with all the activities.

See our brand-new website www.westleasip.co.uk for more information about our flagship Supported Internship programme.
