

Campus update

The first half of the Autumn term has flown by as KS5 students have settled into college life and interns have almost completed their 6 week induction.

The annual SIP Job Fair took place last week bringing interns and employers together to begin the job matching process. Employers offering work placements this year include Greggs, Elmtree Pet Hotel, GP Garden services, Rapport, Compass Group, Stephen James and Bank of America.

This year we launched a new pre-internship programme to support students who wish to progress onto a supported internship but need more time to prepare for this. Pre-internship students have had a great start as they've continued to improve their English & Maths skills, focused on confidence building, life & work skills and taken part in a variety of work experience activities at The Birch hotel.

With one week till half-term we wish everyone a restful break and look forward to welcoming you back on Monday 31st October 2022.

Kika Charalambous
Head of School

Supported Internships

Last week we hosted our second annual Job Fair at the Millfield Theatre and it was a huge success!

This event brings together our employer partners and fantastic interns so that job matching can happen more organically. The event also helps our interns to learn more about jobs and industries that they may never have considered previously.

Our interns will shortly find out their matches and will start what will hopefully be very successful placements!

Events and key dates

WEDNESDAY 19TH OCTOBER

Progress Review Meetings
College INSET Day

Emergency Helplines

This week we recognised World Mental Health day as students discussed well-being and took part in activities such as mindfulness and relaxation techniques during tutorial.

They were also reminded of the following useful helpline numbers and [Kooth](#).

Call:

999 in an emergency

0208 702 4040 to speak to the Adult Crisis Team

116 123 for the Samaritans

0208 342 3012 for IAPT Let's Talk

or

Text **CONNECT** to 85258 for free confidential crisis support
