

Snow

In December, Enfield was covered in a layer of snow! We had fun exploring the cold weather by making snow people, mark making and experimenting with melting and changing state of matters supporting the children in developing their fine and gross motor skills.

Home Corners

At Dysons Road, our indoor learning environments include a Home Corner and we have been learning how to use them! The children have enjoyed playing in our domestic role play areas and making links to other areas of their learning.

Can you spot our link to our RE topic Chinese New Year in Adenegan class? Hint - they're on the wall!

Events and key dates

MONDAY 23RD JANUARY

Storytelling Week

WEEK BEGINNING 23RD JANUARY

Woodrow Residential

EVERY WEDNESDAY

9.15am Coffee morning at Meridian Campus, both sites

WEEK BEGINNING 30TH JANUARY

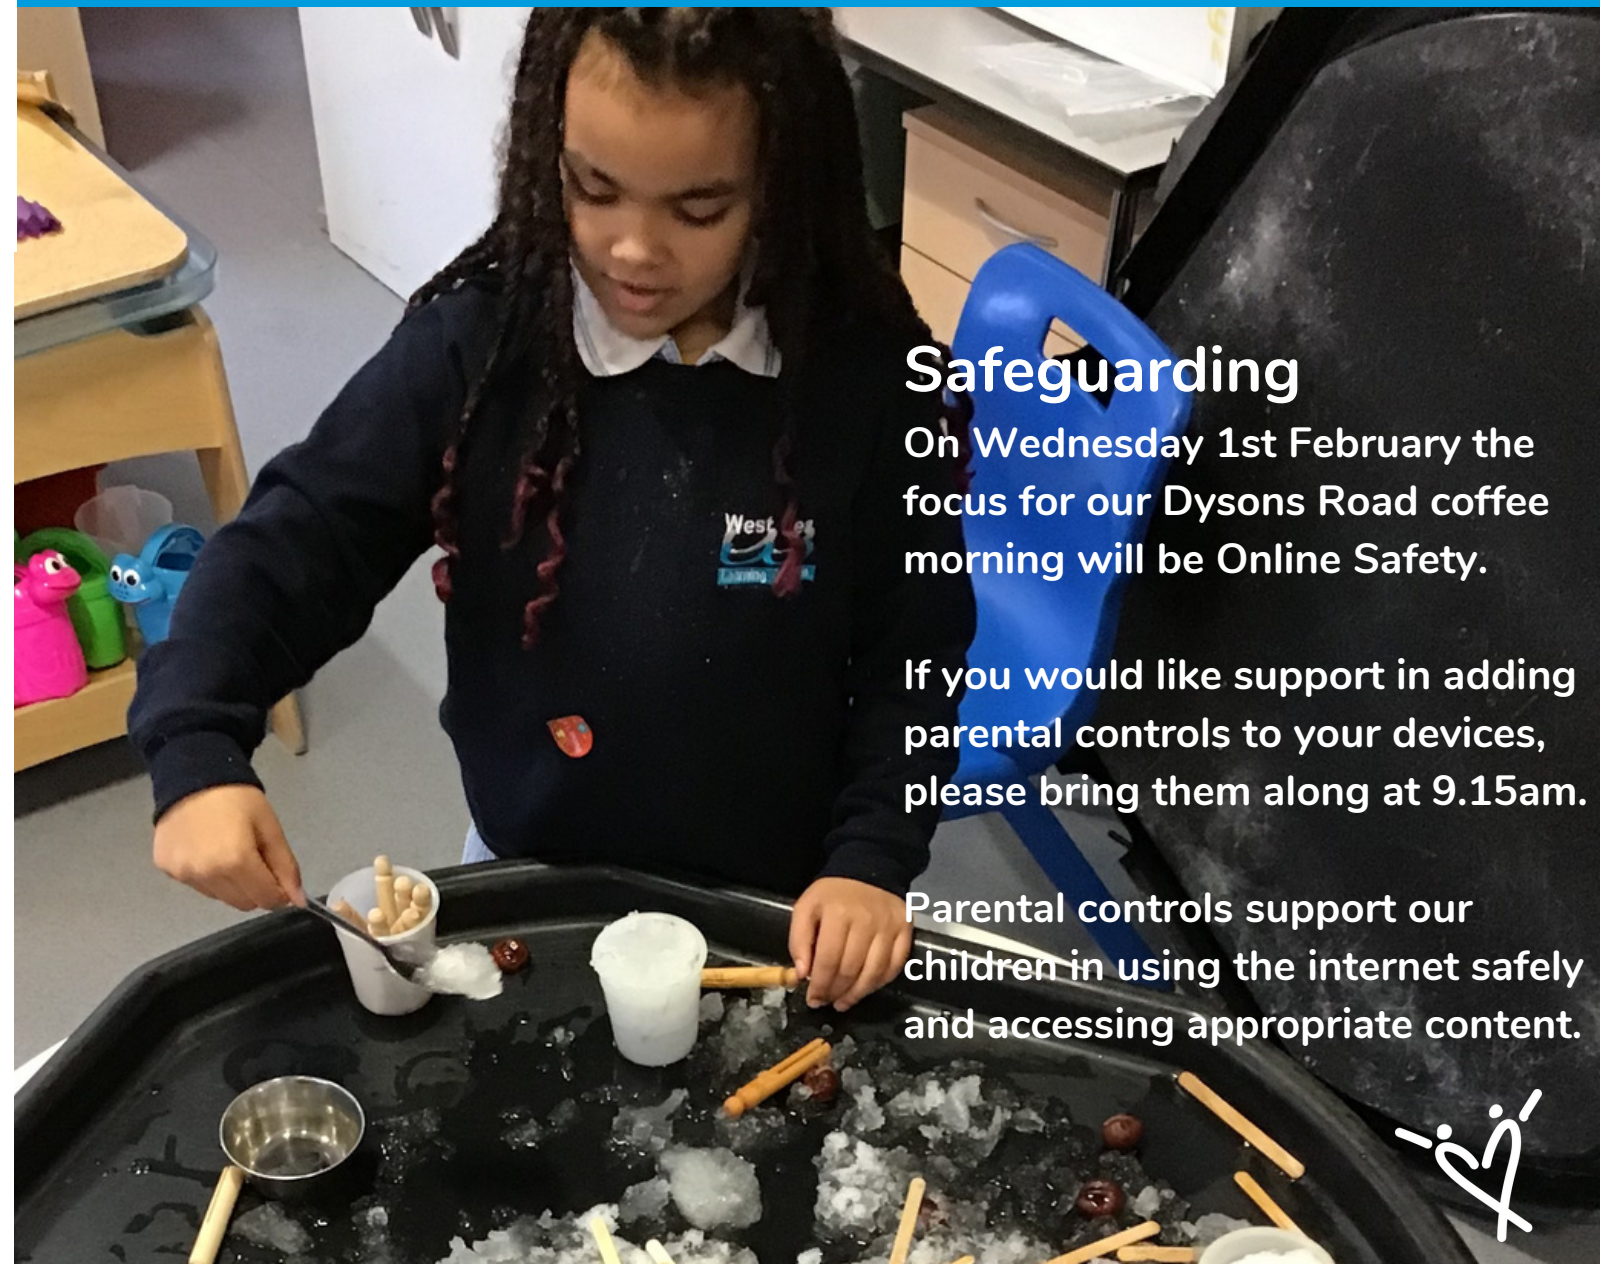

Childrens Mental Health Awareness Week

Reading

Reading continues to be a priority at Meridian campus and we have created a library area where classes can visit to share stories and select Reading for Pleasure books to take home as part of their weekly home learning.

Please keep reading daily with your child. 10 minutes a day equals over an hour of reading a week!

Safeguarding

On Wednesday 1st February the focus for our Dysons Road coffee morning will be Online Safety.

If you would like support in adding parental controls to your devices, please bring them along at 9.15am.

Parental controls support our children in using the internet safely and accessing appropriate content.
