

Campus Update

With the academic year coming to an end, it is always nice to reflect on some of the lovely events that have taken place at Haselbury Campus. Paradise Wildlife Park was visited by all of Haselbury Campus to explore different parts of the curriculum, such as different climates in geography and life cycles of animals in science. Pupils had a lovely day, with the dinosaur exhibit definitely being the most popular with our pupils.

Fox Class visited the London science museum to explore their Wonderlab – an immersive sensory world. Pupils went to research the ‘big question’ they are exploring in science of ‘what is electricity and energy?’. Pupils discovered ways energy can be created, including from the sun and sea.

New chapter for Year 9

Soon our year 9s will be leaving to start the next chapter of their journey at our Learning for Life Campus. This term has seen pupils getting ready for this transition with visits to Learning for Life and meeting teachers from there too. Friday 14th July will be our year 9 graduation event and we would like to welcome all parents of year 9 to attend and celebrate their childrens’ successes.

Quotes from the children

Toby from Fox Class stated, "that was the best trip ever".

Alfie Cossins of year 9 said he "cannot wait to move to Learning for Life" and he is "looking forward to college!"

Final words from Mr Collier

I would like to thank all of our parents and carers for their unwavering support throughout the year, this has helped us support your children to the best of our abilities. I wish you all a safe and restful summer and cannot wait to see everyone again in September.

TOM COLLIER
Head of School

Events and key dates

WEDNESDAY 12TH JULY

Progress review meetings - School closes at 12.30pm

THURSDAY 13TH JULY

Sports day

WEDNESDAY 19TH JULY

Year 9 Graduation

FRIDAY 21ST JULY

Last day of term - school closes at 1.30pm
