EYFS and Key Stage 1

This month we have been starting to prepare the children for transition to their new classes. We can't believe the reception class have grown up so quickly! This week the children across EYFS and Key Stage 1 visited their new classes and teachers. They had a brilliant time exploring their new indoor and outdoor classrooms.

Year 3 and 4

It's been a busy month in year 3 and 4. The children have been practicing how to walk safely out in public and cross a road safely. They've visited the local park to play and explore in a new environment with their class friends. We are really proud of how well all of the children have adapted to walking safely in our community. They've all had a lovely time in Forest School each Thursday, hammocks and rope bridges are most children's favourite activity and the children have grown some juicy strawberries which they had with ice cream for snack time this week.

Year 5 and 6

Our year 6 children have been taking turns to visit Haselbury every Thursday this term to support transition to their new year 7 classes. They are all excited about going to a new school. Last week year 5 and 6 travelled on the Number 34 bus to the summer fair at Haselbury. They won lots of medals for hook a duck and the coconut shy. Soaking the teachers was a popular game! Zoe and Ellenna have been practicing fantastic songs each week and we can't wait for you to join our end of year choir performance to show you our singing skills.

Campus staff news

We have some staff leaving our Campus at the end of July and some new people joining our team for September.

- Gemma Butterfield is moving to Key stage 4 to lead personal development across key stage 4.
- Salma Begum is moving to key stage 3 to lead social communication.
- Cristina Lopez is moving to Haselbury to lead a key stage 3 class.
- Jo Mills has been part of the West Lea family for many years and is moving to be closer to her family.
- Sayan Ertac has successfully completed her NQT year and is moving to teach mainstream key stage 1.

We wish all staff moving to new adventures the best of luck and thank them for everything they've achieved in supporting children across Meridian Campus.
