

Welcome back

The Learning for Life Campus has come back with a bang this academic year, the learners have come back to a new medical area and improvements on site, its definitely been an exciting few weeks.

The students have settled in well, especially our new year 10 learners who have all started to attend either Barnet and Southgate or CONEL college one day a week. We would also like to take this opportunity to say good luck to all of our leavers who have now joined Horizon. It's been lovely bumping into them at college on a Tuesday and Thursday and really seeing them mature into their new learning journey. We would also like to wish our Dutoit learners' good luck as they have started their term of Work Experience, exploring job roles in primary schools, shops and restaurants.

Thank you

We would also like to say a massive thank you to all parents for a successful Meet and Greet where staff were able to share the progress of the learners and how well the transition process has been.

Important information

This is a reminder for parents, please ensure you sign up to School Comms as this will be our main form of communication from October. Please use the QR code below to add. Contact our receptionist if you have any problems or need help with this.
